

Snap Frame | Display

The Snap Frame Display is suitable for indoor and outdoor use to bring clients information or direction easily. The angle of the frame allows for comfortable reading without harsh glare. The components of the Snap Frame are not only strong but easy to setup. With the Snap Frame Display A3 and A4, you can choose to present a portrait or landscape display depending on your use.

- Lightweight
- Quick and easy setup
- Anti-glare protective cover allows for indoor and outdoor use
- Portrait or landscape format possible
- Uses 25mm (0.98in) round frame

Size	Item No.	Display Size (LxWxH)	Print Size
A3	DS5451 - 25mm	0.8ft x 1ft x 3.5ft (24.3cm x 30cm x 106.7cm)	11.7in x 16.5in (29.7cm x 41.9cm)
A4	DS5450 - 25mm	0.8ft x 1ft x 3.3ft (24.3cm x 30cm x 100.5cm)	8.3in x 11.7in (21cm x 29.7cm)

Snap Frame | Info Board

The Snap Frame Info Board is a lightweight and highly customizable display solution. With mixable and completely adjustable attachments connected by a simple system, the Snap Frame Info Board can serve many purposes and meet your clients' needs in any number of ways. The lightweight and strong aluminum construction supports literature holders and a larger, easily changed display frame for greater visibility for any marketing campaign.

- Portrait or landscape frame format possible
- Sturdy literature holders support multiple brochure sizes
- Protective cover on frame prevents glare and extends print life
- Double-sided advertising exposure
- Uses a 25mm (0.98in) square frame
